

EHS Pageantry Corps Fundraiser See's Candy Holiday Sale

We are participating in the 2011 See's Winter Fundraising program. You can sell a variety of delicious See's 1 pound, specialty candy and gift certificates for profits ranging from 15% to 30% or sell small \$6.50 boxes with a profit of 50% or \$3.25 per item. The prices paid by your customers are the same prices they would pay if they went to a See's Store themselves. So, you are saving them money and time by taking their order and delivering it right to their door!

See's candy is popular! Have fun selling and please follow the directions listed below:

- Completely fill out the customer section of the order portion on your fund raising form with name, phone number, items ordered and total.
- Collect payment at the time of the order. Checks are payable to "EHS Band Boosters".
- Complete the "Total Due" section at the bottom of each fund raising form. Be sure to include student name and phone number!
- Place checks and the bottom portion of the fund raising forms in the collection envelope. Fill out the front of the collection envelope.
- **Turn in the collection envelopes to the band box by Friday, November 18th if possible. If you can get more orders over the Thanksgiving break, the last possible day to turn in the orders is Monday, November 28th.**
- The candy will be available for pick up at the Ritchey's by Dec. 3rd.
- Questions? Call Caitlin Ritchey (714) 962-2932 or email: ritcheybeach@socal.rr.com . You can download additional forms from the fundraising sections at www.sees.com .

********Selling See's Candy is an excellent way to meet our goals for monetary donations! Profits from Sees Candy will be treated like monetary donations when determining a family's level of donation.********
